CLEARINGHOUSE RULE 95-152

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. The definition of “eligible practice area” should be renumbered to s. DOD 28.02 (1n), since s. DOD 28.02 (1m) is already taken up by the definition of “educational loan.”

b. In s. DOD 28.04 (1) (e), the word “a” should be stricken and the word “an” should be inserted before the term “eligible practice area.”

4. Adequacy of References to Related Statutes, Rules and Forms

The word “primarily” should be inserted after the term “primary care” in s. DOD 28.04 (1) (e). This is necessary to conform with the changes to the requirements of this program in 1995 Wisconsin Act 27, which provide that health care providers must practice “primarily” in an eligible area in order to qualify for the health care provider loan assistance program.
